Dear Parent/Carer

Consultation on admission arrangements for Surrey's community and voluntary controlled schools for 2024

Surrey County Council is consulting on proposed changes to admission arrangements for some community and voluntary controlled schools for September 2024.

Full details of the consultation and the changes being proposed are available at www.surreysays.co.uk.

Why Surrey County Council is consulting

Surrey County Council has a statutory duty to consult on admission arrangements if it intends to make a change. The changes being proposed are as follows:

1. **Southfield Park Primary School** – extension of the catchment area to include the Parkview estate, as a replacement for priority on the basis of 'nearest school' and amendment of the tie breaker within catchment so that children living closer to the school receive higher priority
2. **Stamford Green Primary School** – introduction of a catchment area to replace priority on the basis of 'nearest school'
3. **Beauclerc Infant School** – reduction in published admission number for Reception from 40 to 30
4. **Farncombe Infant School** – reduction of published admission number for Reception from 50 to 30
5. **St Ann's Heath Junior School** – reduction of published admission number for Year 3 from 90 to 60 and removal of Meadowcroft Infant School as a feeder school (subject to it being agreed for Meadowcroft Infant School to become an all through primary school from September 2024 by the determination date)

How can you respond to the consultation?

The consultation on the admission arrangements for community and voluntary controlled schools and the proposed changes will run Wednesday 16 November 2022. If you would like to take part please complete an online response form at [Consultation on the admission arrangements for community and voluntary controlled schools for September 2023 - Surrey County Council - Citizen Space \(surreysays.co.uk\)](http://www.surreysays.co.uk). Alternatively, if you would prefer to respond on a paper form, please telephone the Surrey Schools and Childcare Service on 0300 200 1004 to request a copy. Please note that only response forms which are fully completed with the respondent's name and address will be accepted.

What happens next?

After the closing date, responses will be collated and presented to the County Council's decision-making Cabinet on 31 January 2023. It will decide whether to proceed with the proposed changes as well as determining the admission arrangements for all community and voluntary controlled schools for which no changes are proposed. Cabinet's decision will then need to be ratified by the full County Council on 7 February 2023. Once determined the final admission arrangements for all community and voluntary controlled schools for 2024 will be placed on Surrey's website at www.surreycc.gov.uk/admissions.
