This year's attendance is 95.3%

When I am afraid, I put my trust in you Psalm 56:2

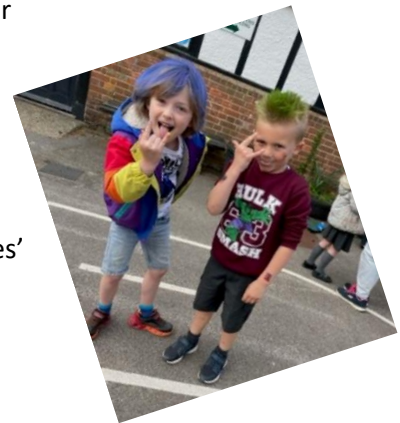

Dear Parents/Carers and Children,

Ofsted

We hope you have had time to read through our Ofsted report which we are very proud of. Having two inspectors for just the one day was incredibly challenging logistically with a small school but staff and children were on top form. Several of our children spoke at length to the inspectors and their responses are echoed in the depth of the report. Thank you to our families who supported us.

Break the Rules

Thank you to everyone who participated in our popular 'Break the Rules' day organised by FWS last week! It gets crazier by the year!

Groundforce Day on Saturday, 10th May 1 – 4 pm

Just a reminder that we will be opening up the school on Saturday, May 10th between 1 – 4 pm. We'll be painting the old sheds, moving MORE chippings, planting up our flower boxes and we have about 10 tyres to dig in plus other smaller jobs and, of course, hotdogs at 4 pm! You are welcome to join us.

ART

Pupils have been learning about St George this week and have produced some beautiful printed roses using celery sticks! Well done to Bea, Charlie Y and Charlotte in Dolphins for your very creative prints.

Maths Tests – Year 2

Well done to Puffins Class who participated in the trials of the Technical Pre-Test (TPT) for Key Stage 1 Maths tests. Data from the trial will help to develop future National Curriculum tests (commonly known as 'SATs').

Online Safety - Adolescence

As you may already be aware, the Netflix series Adolescence has been widely discussed over the last few weeks. The show provides a powerful, and at times difficult, look at the digital pressures young people face online and the role parents have to play in their digital wellbeing.

Free Parent Resources

To help, our online monitoring company here at Witley, Smoothwall, have created a [resource page](#) for parents. It's packed with practical advice, conversation starters, and useful insights to help parents navigate the various challenges the series brings to light.

From setting boundaries around screen time to processing upsetting online content, the resources are designed to give parents the tools and knowledge to take the next steps in supporting their child's digital wellbeing.

Well done to the following children who are in our Gold Book this week!

Year R – Grace and Felix Year 1 – Roman and Finley Year 2 – Arlo and Isla Hi

Headteacher's Awards

Year R – Delilah

Year 1 – William

Year 2 - Puffins Class

Cake Raffle

Thank you to the Westhead family for the brownies.

Congratulations to Ru in Penguins who has taken them home!

Allergies: Please note some cakes are shop bought and some are homemade and therefore we cannot guarantee that they are nut free.

Enjoy the outdoors but 'be tick aware'

Ticks can transmit microbes that cause infections such as Lyme disease or tick borne encephalitis.

Being tick aware by using the following information can help to reduce the chance of tick bites and of being infected:

- you could be exposed to ticks whenever you spend time outdoors, including when in your garden or the local park
- ticks mainly attach to animals, but sometimes they may bite you, your family or your pets
- you can reduce the chance of tick bites by walking on clearly defined paths, using insect repellent and performing **regular tick checks**
- ticks can bite anywhere on the body, including in your hair. More than one tick can be attached to you at a time
- some tick bites can result in infection, so it is important to remove ticks safely and as quickly as possible
- the safest way to remove a tick is by using a pair of **fine-tipped** tweezers or a tick removal tool
- if you begin to feel unwell with flu-like symptoms, persistent headache, confusion or develop a spreading circular red rash (which usually appears within 1 to 4 weeks after being bitten), **contact your GP or NHS 111 promptly**. Mention if you were bitten by a tick or have recently spent time outdoors

GOV-11370

News for parents/carers from Surrey County Council

Surrey County Council's full devolution and Local Government Reorganisation (LGR) plan has now been published. It is subject to Cabinet approval on 7 May. Once approved, it will be submitted to government by 9 May.

www.surreycc.gov.uk/council-and-democracy/lgr/plans

The proposal shows two unitary councils, with an East and West geography as shown in the map image below. These two councils would replace the existing 12 councils and unlock further devolution in Surrey.

Detailed analysis within the plan shows that two councils would be the most beneficial model for Surrey's future, with similar land area, population, house building targets, business activity, homelessness and total miles of public highways. It also considers the differing levels of debt that the two authorities would potentially inherit.

The plan also strengthens local community engagement with community level boards proposed across Surrey, enabling residents to have a say in services and decisions that affect them.

Once submitted to government, printed copies of the proposal will be made available at all Surrey libraries.

We'll be sharing details of more in-person information events soon, including an online resident information event in May.

All information regarding Surrey's LGR, including FAQs and final and interim plans, is available on Surrey's website: www.surreycc.gov.uk/council-and-democracy/lgr/plans
