

- Our Vision at Witley C of E Infant School -

'Learn, love and flourish together'

Witley C of E Infant School aims to provide a nurturing, caring and safe Christian environment in which children can develop their academic, physical, spiritual, personal and social skills through encouragement and support enabling them to flourish.

Learning will be at the very heart of everything we do and we will ensure that every child has the opportunity to reach their full potential through a curriculum that is creative, inspiring, challenging, fun and reflective. We will provide an enriching environment where each and every child can flourish to prepare them for their journey in life, appreciative of the wonders and diversity of our wider world.

We will strive to develop strong partnerships with other schools, All Saints Church and the wider community. We will actively encourage parents to share in their child's learning and our wider school life. We aim for our children to become independent, confident, loving, respectful and responsible members of the community equipped with the skills and Christian values to be life-long learners.

Values

Our school motto 'Learn, love and flourish together' is reflected in our 6 Christian values which underpin our school ethos:

Learning is at the heart of our school - reflected in our values of confidence and resilience
