## Part A: Pupil premium strategy plan

### Statement of intent

*Learn, love and flourish together*

*Learning is at the heart of Witley strengthened through our values of confidence and resilience. We recognise that a lack of confidence and resilience are barriers to progress particularly with the challenges in recent years. We aim to equip our children with a 'can do' attitude enabling them to flourish. Our strategy sets out to empower our disadvantaged children to achieve and thrive through:*

- Improve self-esteem, social skills and wellbeing through nurturing support and PSHE programme*
- Opening the doorway to learning through the power of phonics and reading*

### Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Social skills and interaction, wellbeing, mental health and poor self-esteem across the cohorts
2	Weak phonological skills preventing children from using phonics to support reading and writing development. Data continues to evidence poor performance by disadvantaged groups
3	Access to wider experiences and personal development i.e. after school clubs/visits and external provider support
4	Access to interventions to enable opportunity inc. 'phonics catching up' sessions

### Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Improved social and emotional learning across the school resulting in sustained confidence and resilience with learning	Higher levels of wellbeing evidenced through teacher observations, pupil voice and parent surveys and ELSA feedback
Improved reading attainment among disadvantaged pupils	Identified disadvantaged children access additional support through interventions/catch up sessions

	KS1 results evidence more disadvantaged children pass phonics screening (Year 1) and by the end of Key Stage 1 make sustained progress to meet expected standard.
Improved attendance and opportunities at after school clubs, external visits	Children from disadvantaged groups regularly attend after school clubs/access trips/music opportunities

### Pupil premium strategy outcomes
